The entire Board of Responsive is responsible for reviewing the structure, size and composition of the Board and the appointment of new directors from time to time to ensure that it has a balanced composition of skills, experience and expertise appropriate to the requirements of the businesses of the Company, with due regard to the benefits of diversity on the Board.

The Nomination and Remuneration Committee of the Company will continue to recommend on appointments to the Board having regard to the merit of candidates and believes that doing so will be consistent with achieving a diversity of perspectives as described above.

The objectives of this Policy are, to have a Board which

- a) is characterized by a broad range of views arising from different experiences when discussing business;
- b) facilitates the making of informed and critical decisions; and
- c) promotes the interests of all stakeholders, particularly the long term interest of our shareholders, fairly and effectively.

The achievement of these objectives will be measurable on an objective review of the overall composition of the Board, the diversity of background and experience of individual Directors and the effectiveness of the Board in promoting shareholders' interests.

The Board as a whole is also responsible for reviewing the succession plan for the directors, in particular, the Chairman/Managing Director/Whole-Time Directors as applicable.
