Press Release

Mumbai | September 14, 2020: Responsive gears up its production to cope up with demand of PVC flooring for all the COVID centers across the globe.

As we all know due to ongoing pandemic there has been a spurt of setting up COVID centers in all around the countries, criteria is to fast clean set up of flooring, beds and necessary infrastructure for doctors and nurses to give good care to all virus infected patient in the clean environment. Thus gave rise to unprecedented requirements of PVC flooring and Responsive being the largest PVC flooring producers in the Country geared up itself in this tough environment and facing all the challenges to produce, supply in time and satisfy the needs of the requirement in the PVC flooring for COVID centers.

Responsive have successfully supplied to all the major COVID centers not only within the Country but also has successfully exported and satisfied to all the major requirement of PVC flooring for not only COVID centers but also setting up temporary hospitals, clinics and quarantine locations.

PVC flooring requirement and consumption has gone up in line with masks, sanitizers and all other safety requirements to guard oneself not to be infected due to the virus.

Responsive is one of the largest manufacturers of PVC based products in India namely in flooring and leather cloth, it produces 24 different type of flooring catering to every section of the society, ranging from Hospitals, health care, transportation, real estate – offices and residences, not only giving safety but aesthetic look to the surrounding where it is used.

It has also recently introduced new type of IMPACT flooring which is hard layer interlocking flooring in vide range of looks substituting wooden flooring, marble, granite and tiles. It is very easy to use and fast to lay, environment friendly as well as good in cost and looks. It is so easy and fast to install, full large area can be covered in hours where it would take days to do so.

Responsive has begged huge orders from reputed large companies in India and other parts of the world. The Company is trying to realize the dream of our honorable Prime Minister in being a Company on the lines of “Atmanirbhar Bharat”.
